

Mechanical pressure compensator

Model: SPCK□□□

Model	SPCK0600	SPCK1000
Structure	Mechanical, rainproof construction	
Ambient temperature	-10°C~+60°C	
Corrected pressure range (kPa)	150~600	250~990
Reference pressure	Standard 1 kPa (settable in the range of 0 to 3 kPa)	
Compensation accuracy	±1.0%
